

season launch – unite trials⁴!

Season-Opening²⁰²⁴
Bike / Moto / E / Uni

16.-17.03.2024 | MSC-Falke-Sulz

Intention: “Unite Trials⁴” – “Unite the trial sport”: What should be the focus of the 2024 event?

- A much too small type of sport – in its different sports equipment shapes and types ... We would like to bring together four variants of trial sports in one place, on one weekend, to create an unforgettable event!

Be part of the whole – get to know the other parts – make the weekend unforgettable!

- Everyone is welcome: from beginners to legends to world champions and from locals to intercontinental guest trialers. A weekend without the pressure of competition, fun in sports, a cozy get-together with old and new sports colleagues.
- We would like to give new riders the chance to get to know the unique community of sport - at the same time the reanimation of former riders and forgotten & unforgotten sports legends of trials - accompanied by sporting amazement by the current sports elite of (German) trials.
- The connection of the trials sport from local, national, international and all acquaintances and friendships is cordially invited to the training hall of the MSC-Falke-Sulz and the trial area.

Event – How is the event designed in terms of time, location and scope?

- A weekend event - filled with sport, fun and a supporting program. While guests from far away are welcome to arrive on Fridays, we want to spend a sporty Saturday in the training hall and the Sulzer “Lengenloch” trial area. Afterwards, the sporting part can and should flow into a convivial evening with a program, entertainment and disco until the early hours of the morning. On-site catering is well taken care of. The same applies to Sunday, which should once again emphasize the sporting part - inside and outside. Overnight stays can be in accommodation, camping or, to a limited extent, in the neighboring building.

Registration – What are the following steps to participate?

- Scan the QR code / link to the MSC-Falke homepage to download the event registration for
- Select season launch post & Download the form → fill in the registration data
- Send pre-registration to: season-launch@msc-falke-sulz.de
